Dear Bertrand,

As many of you may have heard, my beloved Roberta (wife, companion, and partner) passed away on May 22, while we were traveling in France. The suddenness of her passing was a shock to me, my family, and her friends. One day she was smiling and radiant in her hospital bed and we were talking about returning home, and the next day she passed away.

Many of you know that Roberta had metastatic breast cancer for the last 4 years and the last couple months had become very challenging. In spite of the challenges, we were upbeat and just contemplating next steps, and waiting for the miracle that would restore her health and keep her with us. Unfortunately, her body had become weak and depleted and when a lung infection occurred, she no longer had enough energy to fight off the infection. We will greatly miss Roberta's radiance and light and her physical presence in our lives.

In the past few weeks I have been blessed with a mountain of supporting messages, e-mails, and Facebook postings. Each message has touched me and reminds me of Roberta and of her glorious ministry and all the people she touched. I am very blessed to have had her in my life for 46 years, and am grateful for her generous Spirit and everything we shared together. As much as I miss her companionship, I stand in abundance and gratitude and I experience her spiritual presence with me all the time. Most importantly, my children, grandchildren, and I want to celebrate her wonderful life and memory. Naturally, we allow for moments of grieving, but mostly, we focus on all the gifts she brought to us and our deep appreciation for having had her in our lives. Roberta was a minister of love and light and her loving still envelops us.

My Working Ministry Continues

Some friends and family have expressed concerns about me and how I will continue with my life, without my beloved companion. Rest assured, I will continue on with courage and great peace of mind. I trust entirely in the presence of Spirit in my life, and my work and serving others is my greatest joy and fulfillment. Do not be shy about consulting me; I am happiest and serene when I have the opportunity to do my work and serve others. It is a great blessing for me to still be working at my age; without my work, my life would indeed feel a little empty without Roberta. She was very dedicated to the work we were

doing together and in no way would she want her passing to interfere with my ministry of serving others. In other words, the shop is OPEN and we are always happy to serve you in any way we can.

Memorials for Roberta

There are 3 memorials planned to honor Roberta and to celebrate her presence in our lives. One memorial will be in Lyons, Colorado where we lived together. It will be on Sunday, June 24th at 2 PM in the community room of Stonebridge Farm. For directions, please contact us. Another will be on Friday, July 6 at 7:30PM in Los Angeles at the Sheraton Universal, during the MSIA conference. We are also planning a memorial service in the New York area towards the end of July. Please contact us for information regarding the New York memorial.

We hope that you will be able to attend one of these memorials, and if you cannot be there physically we will appreciate your Spiritual presence among us.

Donations

Some people have inquired about donation to a charity in Roberta's honor. The work that Roberta loved the most was the one she did in Prison with the Freedom to Choose Foundation.

www.FreedomtoChooseFoundation.org

This organization can receive tax deductible donations.

Bertrand's Bio

Dr. Bertrand Babinet is a health intuitive who has created a revolutionary approach to optimal Health and Wellbeing. His purpose is to help you identify natural strategies to restore balance and harmony in your body and your life. To accomplish this, he has created many tools of assessment and treatment that cover both the physical and the psychological levels. He works with individuals, couples, families, organizations and the physical environment to optimize health, effectiveness and

creativity. Dr. Babinet holds a PhD in Human Development and a Masters Degree in Spiritual Counseling. He is a board certified acupuncturist by NCCAOM and licensed acupuncturist in Colorado and has been practicing Chinese medicine for the past 19 years. He holds certifications in Nutrition, Functional Endocrinology, Functional Blood Chemistry, Postural Integration, Neural Organization Technique (NOT) and Nanbudripad Allergy Elimination Technique (NAET).
